Dear Family and Friends,

Thank you so much for your past support and trust in me as your State Senator over the years. My main focus has been on supporting public policy and sponsoring legislation supportive of children, youth, senior citizens and strong families. Encouraging public participation in our legislative process; supporting open, accessible, responsive, efficient and accountable government; advocating for a sustainable, diversified economy and environmentally-friendly legislation has also been my passion. As a full-time legislator, committing 16-20 hour work days, 365 days out of the year, these past 16 years, I have had the honor and privilege to work with thousands of dedicated people of our State equally committed to taking care of our home, Hawaii. Thank you, again, for your kindness and kokua.

Me ke aloha pumehana,

Senator Suzanne Chun Oakland
